EverFlourish

EverFlourish Smart Technology Corp., Ltd. specializes in manufacturing the best high quality DIY electric products since 1994. We excel in production and service.

As a manufacturer, we understand that quality is most important. We pursue superior quality not only in manufacturing but also in product design & development. Our products offer good design with user-friendly functionality & excellent quality. To achieve this goal, we have over 40 experienced engineers in the R&D Department to design and develop new items and to keep pace with the rapid changes within the market. Our close contact with testing laboratories around the world keeps us well informed of the latest standards and norms to ensure our products comply with the most stringent safety standards. Moreover, our comprehensive QC system ensures quality throughout our production.

We firmly believe that customer satisfaction is the key to our success and daily put our beliefs into practice. Not only do we deliver quality products, but also quality customer service. To achieve this, our business development Team pledges to provide swift responses and helpful solutions to every question raised and to every valuable suggestion received from our customers.

Tailor-making our service to our customers' specific needs, our Marketing Team offers unique & customized packaging solutions for our customers. When our customers need to combine different goods in one shipment, our 4500m² warehouse enables us to consolidate different products into one container to save freight and handling costs & simplify the export process for our customers.

After years of hard work, we are proud of our reliable and solid relationships with our customers. And we will continue to strive to attain our goals – to provide you with superior Quality & Service now and in future.

2 Pole Switch Mechanical Daily Timer

EMT2400G

Min. setting time: 15 minutes

Max. 96 on/off per day

2 pole switch to cut off N & L

16A 250V~ 4000W

Safety Countdown Timer

EMT306CD

Breathing LED indicates countdown status
Countdown setting: 15 mins, 30 mins, 45 mins, 60 mins
230V~ 50Hz, Max. 2300W

COUNTDOWN TIMER 1H

EMT306CD-4H	4 Hours safety Countdown Timer

Easy Setting Digital Clock Timer

EMT2500ET

Large Clock LCD display
Min. setting time: 30 minutes
Max. 48 on/off programs per day
Override ON/OFF function
Backup battery
230V~ 50Hz, Max.1800W

24H

Weekly Digital Timer

EMT769A

Big LCD display with blue backlight
Manual on/off night light function
16 on/off programs per day, 112 programs per week
Countdown & random function
Override on/off function
Summer time conversion
Backup battery
16A 230V~ 3680W

7DAY

2 Pole Digital Timer

EMT799

Ideal for professional equipment
2 pole terminal output by 2 relays
Max.112 on/off programs per week
Random & countdown function
AM/PM or 24 hours display
Summer time conversion
Backup battery
16A 230V~ 3680W

7DAY

EMT799-30M	30 min Countdown Timer
EMT799-60M	60 min Countdown Timer

Security Timer

EMT1700P

Fast & easy way to automate your holiday and
decorative lightings
Automatically turns power ON at dusk and OFF at dawn;
or OFF at selected hours (1, 2, 4, 6, 8 hours)
Repeats program daily
Blue LED indicates power ON/OFF status
Manual ON/OFF override switch
230V~ 50Hz, Max.1800W

AUTO

8

Easy Setting Countdown Timer

EMT1700C

Automatically turns power OFF at selected times
(15m, 30m, 60m, 2H, 4H, 6H)
Blue LED indicates power ON/OFF status
Manual ON/OFF override switch
230V~ 50Hz, Max. 1800W

Mini Programmable Digital Timer

EMT709

Max. 112 on/off programs per week

Countdown and random function

Summer time conversion

AM / PM or 24 hours display

Manual ON/OFF function

Backup battery

16A 230V~ 3680W

Mini Programmable Digital Timer

EMT757

Max. 140 on/off programs per week

Countdown and random function

Summer time conversion

AM/PM or 24 hours display

Backup battery

230V~ 50Hz Max.1800W

Flush-mounted Digital Blind Timer

M55F70BT

Suitable for control curtain up and down

Max. 70 opening/closing programs per week

Opening and closing time can be programmed to the minute

Random function

Manual on/off switch

Max.36 hours memory function after power off

230V~ 50Hz Max.750VA (cosφ=0.8)
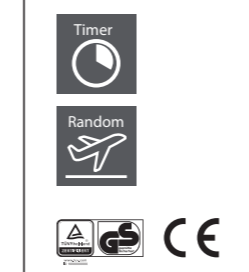

Flush-mounted Digital Timer

EFP700ET

Max. 140 on/off programs per week

Random & countdown function

Summer time conversion

AM/PM or 24 hours display

Manual on/off switch

Backup battery

230V~, 50Hz Max. 1800W
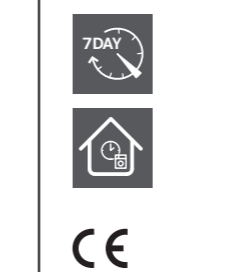

Cost Control Meter

EMT769ACTL

Ideal for energy saving, shows power consumption and cost

Big LCD display with blue backlight

Display V, Hz, W, VA, KWH parameter and time

2 separate tariff rate for precise cost display

Working voltage range:160V to 280V~

Power detection range:4W to 3680W

Backup battery

16A 230V~ 3680W
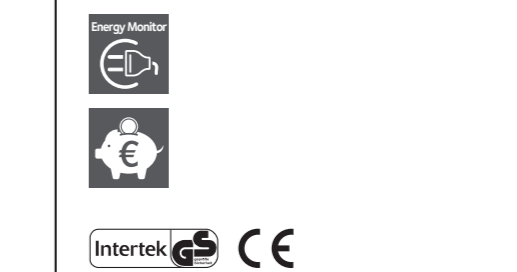

Cost Control Meter

EMT707CTL

Ideal for energy saving, After input electricity tariff, the meter shows power consumption and cost

Display V, Hz, W, VA, KWH parameter

Power detection range: 4W to 3680W

16A 230V~ 3680W
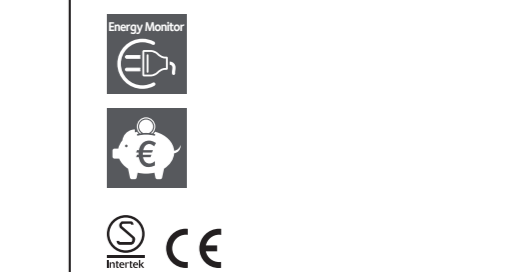

Outdoor Mechanical Timer

EMT445

Min. setting time: 15 minutes

Max. 96 on/off per day

Surge Protection Adaptor

EMP600S

Protect appliance against power surge, spike & thunder
Surge protection up to 4.5KA
2 varistors, 2 thermal fuses & 1 gas discharge tube
Green and red indicators to show protection and power status
Max. surge voltage: 6000V
Max. spike current: 4500A for pulse form 8/20μs
Clamping response time: <1ns
16A 230V~ 3680W

EMP600L	Surge Protection Adaptor

Super Protection Adaptor with Light Switch

EMP300/3A

Protect appliance against power surge & spike
Surge protection up to 4.5KA
1 varistor, 1 thermal fuse, 1 gas discharge tube
Green indicator to show surge protection
On/off rocker switch with light
Max. surge voltage: 6000V
Max. spike current: 4500A for pulse form 8/20μs for AC line
Clamping response time: <1ns
16A 230V~3680W

RCD Adaptor

EMP200

Provide additional protection against electric shock
Tripping current: 30mA
Tripping time: <30ms
TEST button for safety check

EMP715-2

Output: Max. 28W high power LEDs per each color of 3000K / 5000K

Detection area: 180° detection angle, Max. distance 10m

Duration time: 3±1 sec. to 20±3 min

Lux control level: 10±10 lux to 1000 lux adjustable

Lumen(bare-board): 1800lm

Voltage: 220 - 240V~, 50/60Hz

IP44

LED Wall Lamp with PIR Sensor

EMP716

Output: Max. 24x0.5W high power LEDs per each color of 3000K / 5000K,

Lumen (bare-board): approx. 750lm

Backlight stripe illumination: Max.2x1W LED (5000K)

Detection area: 180° detection angle, Max. distance 8m

Duration time: 3±1 sec. to 20±3 min.

Lux control level: 5 lux to 1000 lux adjustable
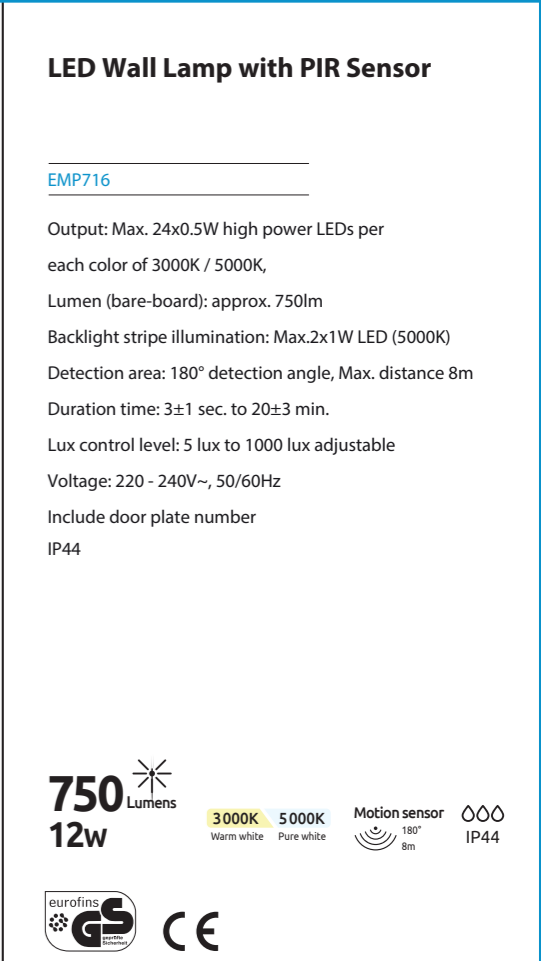

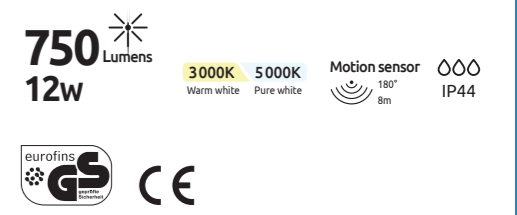

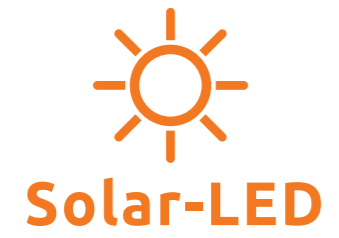

Voltage: 220 - 240V~, 50/60Hz

Include door plate number

Wi-Fi Garden Spotlight

EMP711WF

Sensor Function: Includes photo sensor to detect lux level, Automatically turn
power ON at dusk and OFF at dawn; or OFF at selected hours (2, 4, 6, 8 hour intervals)
Timer function: Use your smartphone to set up multiple timer programmes to control
the spotlight ON/OFF. (Normal timer or sunset/sunrise timer setting)
Random Function: Preset ON/OFF setting will be used when your are not at home
Panic function: Manual pulsed ON/OFF if you needed
Manual ON-AUTO-OFF three mode
Lux level: 5-1000 lux adjustable
Output: Max.6×0.5W 6000K white LED, and 3×1W RGB LED selectable
Lumen: 240lm (pure white)
Cable: H05RN-F 2×1.0mm², 1.6 meters

Power Adaptor with LED Night Light

EMN306

Photocell detects darkness to turn power
on and off automatically
4pcs Super bright LED
Easy to use with Schuko plug and socket
16A 230V~ 3680W

EMN306-F	Available for French type

LED Night Light SET

EMN100x3

Photocell detects darkness to turn
power on and off automatically
3pcs super bright LED
230V~, 50Hz, Max. 0.8W
3pcs per pack, each with red, blue
and transparent ring

Plug-in PIR Sensor LED Light

EMN406PIR

1pc 0.5W super bright warm white LED, 40 lumen
AUTO-OFF-ON switch
Detection Area: 90° (round), Max. 5m forward
Duration time: 60±15 seconds
Lux level: about 10 lux
230V~, 50/60Hz

PIR Sensor LED Light

EMN405PIR

1pc 0.3W super bright warm white LED, 24 lumen
AUTO-OFF-ON switch
Detection Area: 90° (round), Max. 5m forward
Duration time: 60±15 seconds
Lux level: about 10 lux
Hanger hole for convenient fixation, also can stand alone
Required 3xAAA battery
